

# Joint Statement

---

**We, as members of the Netherlands British Chamber of Commerce (NBCC), strive to stay on a 1.5 degrees pathway, in line with the Paris Agreement.**

We are committed to working together to fight the climate crisis through the following measures:

1. We will collaborate across the value chain and industries;
2. We will connect the environmental agenda with the social agenda to fight inequality;
3. We will be and work in a way that is transparent and act as an advocate for sustainability.
